

YORK  
MINSTER

COMPETITION

# DESIGN A CARVING

Open to City of York, North Yorkshire  
and East Riding Primary Schools  
(children aged 4-11 years)  
Deadline: Monday 16 July 5pm.

YORKMINSTER.ORG

*This summer, stone masons from around the world will be gathering in Dean's Park outside York Minster to celebrate the theme of 'All things Bright and Beautiful, All Creatures Great and Small', at the 2018 Stone Carving Festival.*

York Minster's masons will choose two winning designs (one picked from KS1, another from KS2 age children) to be carved by stone masons. The winners will be invited to a presentation ceremony at the launch of the Stone Festival, when they will see their designs have been transformed into stone! The carved stones will be on display throughout the Stone Festival, and the children's design entries will be on display in the Minster during the summer holidays.

**What is important to you about the changing environment of the world today? Will you choose as your design animals whose habitats are threatened, such as bees, endangered species such as polar bears, polluted seas, dying corals, or saving the rainforest?**

Please draw your design onto a standard A4 piece of paper and include a separate sheet with the entry giving the child's name, age, school and a short explanation (by the child if possible) of what their theme is, and why they chose that theme.

**The deadline is Monday 16 July 5pm.  
The winner and runners up will be notified by 5pm  
on Wednesday 18 July.**
